Permanent Address:
48 Berkley Street
Marlborough, MA 01752

OBJECTIVE:
Looking for a summer internship or part-time job aiming to gain experience and improve at any point.

EDUCATION:
Worcester Polytechnic Institute (WPI), GPA 3.70/4.0   May 2024
  Bachelor of Science in Data Science, Minor in Business, Worcester, MA
Advanced Math and Science Academy Charter School (AMSA), GPA 4.21/5.0   June 2020
  High School Diploma, Marlborough, MA

SKILLS:
Programming Languages: Java, Python, C, JavaScript, HTML, CSS, R, SQL
Applications: Microsoft Word, Excel, PowerPoint

PROJECTS:
Spotify Data Visualization Website, WPI   March 2022
In a team, used Python for data collection, cleaning and management scraped from
Spotify top hits playlists. Used HTML and D3 JavaScript library to create an interactive
visualization displaying various data points pertaining to the best songs of 2018 - 2021.
Frontiers Project: Duck Hunt, WPI   July 2020
Created a working website under a WPI host address that simulated the original Duck
Hunt using the languages JavaScript, HTML, and CSS. Contained animation, random
flight patterns, and score keeping.

EXPERIENCE:
Electronics Sales Associate & Fulfillment, Target, Marlborough, MA   April 2020
- Handled the organization of inventory, customer service, and general management for the Electronics section.
- Dealt with shipping and receiving for delivery/pick-up orders.

Float Teller/Banker, Main Street Bank, MA   July 2021-Present
- Travelled to different branches in Massachusetts to help whenever needed.
- Received and processed large transactions, developed high mental math ability and financial management.
- Developed priority, problem solving and communication skills when faced with transaction errors and handling them to enhance customer experience.
